[Softball Camp](#)

Published in [Softball](#) by [meg](#) |

Want to play some softball? Our [softball camps](#) are a great way to work on your skills, and make new friends.

Our coaches help camps work on skill development and techniques, and also develop discipline through practice, attention and learning. At Anthony Newman Sports Camps, we teach the basics of pitching, hitting, fielding, throwing, and running. We also instruct in specialized areas of position play including catching, 2nd & short stop, 1st & 3rd, outfield, sliding, base running, bunting, cut offs and run downs. We welcome players of all experience and skill levels, and we really feel that our softball camps offers something for every one.

As always, our low ratio of coaches to campers means individual attention for each camper, and a safe, organized sports camp.

Whether you are a skilled softball player, or just getting interested in the game, ANSC softball camp is a great place to improve your skills and meet new friends!

[About Our Camps](#)

Published in [Sports](#) , [Coaches](#) by [meg](#) |

We've been talking so much about our different summer camps, let's talk for a moment about our camp philosophy. At Anthony Newman's Sports Camps, we want to help children and teens improve their athletic abilities, but more importantly, we'd like to provide children a chance to develop good sportsmanship.

We provide a safe, fun and friendly environment for campers. Our trained and dedicated staff will help campers improve their skills and learn more about their chosen sport. We do our best to make our camps a warm and supportive atmosphere for all skill and experience levels, and we encourage all campers to work hard to achieve their fullest potential, both on the field and off.

Our goal is to encourage a love of sports and good sportsmanship, while providing a fun place to make new friends.

[Speed Camp](#)

Published in [Track](#) by [meg](#) |

Our [Speed Camp](#) is designed to improve performances for all levels of athletes, from beginners interested in getting into the sport, to the elite junior athletes preparing for upcoming track competitions.

Our dedicated coaches help campers develop the proper running and jumping fundamentals, and campers leave with improved speed, agility, and jumping skills. Our summer camps present a series of challenges to our campers and are designed to expand their abilities and their confidence. Athletes are encouraged to challenge themselves, and they come away from camp feeling confident and excited about what they can achieve with continued hard work.

[Wrestling Camp](#)

Published in [Wrestling](#), [Coaches](#) by [meg](#) |

Anthony Newman's Sports Camps is proud to offer our [Wrestling Camp](#) for young athletes. Our goal is to help young wrestles learn new moves, techniques and improve their skills. This camp will benefit beginning wrestlers and intermediate level wrestling athletes. As always, our low ratio of coaches and students ensures that all campers will receive individual attention and stay safe at all times.

Our coach, [Kevin Keeney](#) , brings years of experience to the mat. He started wrestling at age 10 with the Canby Cougar Mat Club, and since then, he has competed for the Peninsula Wrestling Club, Canby High School, and the University of Oregon.

Kevin is now an assistant coach for the Canby High School Wrestling team and a PE teacher at North Marion Middle School. He is also the head coach of the All-Phase Wrestling Club in and the Vice President of the Full Contact Fighting Federation.

Let Kevin's wealth of experience help your child improve his wrestling skills!
